

Website Planning Document

Daily Cast

Author: JJ Hugh

Site Purpose

The purpose of this site is to provide a up to date review of the weather in the areas mentioned in the assignme

Target Audience

The target audience are all the millennials who are too busy to search for the news and weather conditions.

Site Map

The site map is at the bottom of the home page and leads to a page that shows all the information on the site.

Color Scheme

I chose the Golden Bites Scheme, it illuminates the page.

Typography

“Syncopate” sans-serif

Wire-Frame Sketches

This is depending on the code and if it allows me to set it up right.
